

The background features a light gray map of Africa centered on the continent. Overlaid on this are several 3D-style geometric shapes: squares and diamonds with a purple-to-pink gradient and a dark blue outline, and white squares with a subtle circular pattern. The shapes are scattered across the frame, some appearing to float or be attached to the map.

straitPay for Business: Empowering African SMEs

Key Features of straitPay for Business

01

Multi-Currency Wallets:

Manage and transact in multiple currencies effortlessly, facilitating smooth international trade.

02

Recurring Payment Links:

Send and receive funds directly to your straitPay wallet with no fees or charges, enhancing payment efficiency.

03

Intra-Africa Payments:

Facilitate easy payments and fund transfers within the continent, promoting intra-African trade and economic collaboration.

Benefits for SMEs

Simplified Transactions:

Streamline financial operations across different markets with our user-friendly platform.

Cost Efficiency:

Reduce costs associated with international transactions through competitive rates and minimal fees.

Seamless Cross-Border Payments:

Eliminate barriers to international trade, allowing businesses to expand their reach effortlessly.

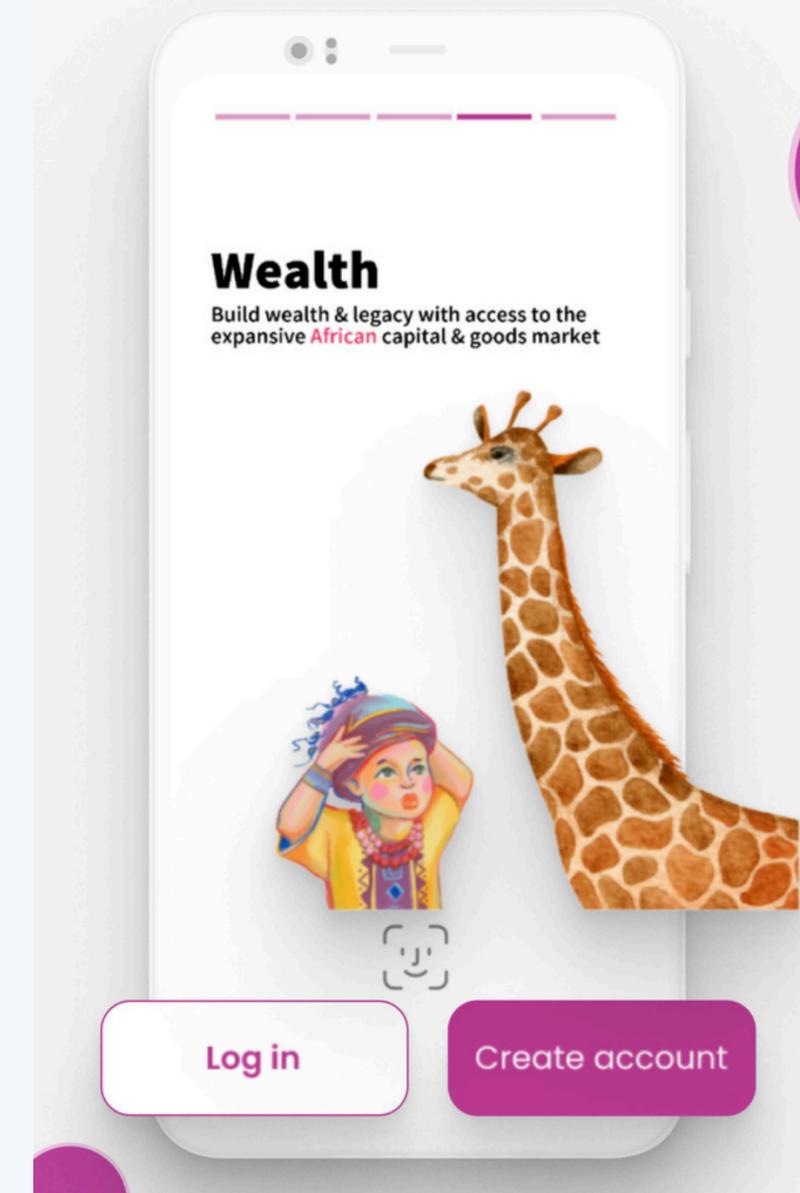

Key Achievements

straitPay has been recognized for its innovation and impact in the fintech sector, winning the London Startup Award in 2023.

Our platform has expanded its reach to several African countries, including Nigeria, Ghana, Rwanda, Kenya, Benin, and Ivory Coast.

We recently obtained a Money Service Business (MSB) license in Canada, enhancing our capability to serve more customers globally.

belive in Africa

Future Goals and Expansion Plans

We are planning to expand our services to Cape Verde, Tanzania, UAE, and Botswana, continuing our mission to break down financial barriers.

Our vision is to create a seamless environment for transactions across Africa, fostering economic growth and financial inclusivity.

Quote from Kele Okafor, CEO of straitPay

At straitPay, our vision is to break down financial barriers and create a world where transactions are seamless for any individual or business interested in Africa.
